External Card No. Start _____ Stop _____
Special Instructions: _____

[1] For new artwork files, contact Customer Service for custom artwork number, lead-times, and cost.
[2] Cards ordered with plain white front and back packaging, with no HID artwork or with custom artwork, will still have a small "HID logo" "▭" and reference number printed in the lower left-hand corner and a slot punch target printed on the back of the card.
[3] The external card number is placed in the bottom right-hand corner on the back of the card.
[4] Cards are provided with an optional slot punch at no additional charge. Some video imaging printers cannot accommodate pre-slot punched cards. Please consult with the printer manufacturer prior to ordering.
[5] For Laser Engraved external numbers, consult factory for lead times and cost.
[6] Programmed as a sequential 12 digit number.
* The composite construction is recommended for all cards that will have an over-laminate applied.
